

Time-Cartography

Maps, time travel, and cyborg cops — mixed together in a night-time TV sort of way. There may even be explosions, who knows?!

Description

Ok, I'm not going to lie: I have no idea what this has to do with Seymore and his time machine. *Probably* nothing, but we can't be too sure. He asked us to do it, and by golly, we are going to do it!

Seymore wants maps.

Example Input/Output

```
input:
A B 5
A C 9
B C 5
output:
A*****
