Problem 1

Maybe start your problem with flavor text? I think you would like it very much! May look cool! Who knows?

Description

This is the problem you have. I expect you to do it with code. Does that sound good to you? I sure hope it does. Lets look at a quick example!

$$Ma_t^h = C \sum_0^1 o + l$$

This is some more text.

Example Input/Output

```
V E R B A T I M
```
